

Procedure for Booking a Rink at
Suttons Bowling Club
using the On-Line Booking System

Following the recent change in Government Guidelines and with guidance from Bowls England, regarding Covid-19, we are now able to open the green for Roll Ups, to our fully paid up members only, albeit in a limited capacity. Also, please note that as per the Bowls England guidelines, spectators and or guests are not permitted at this time. Before booking a rink or arriving at the club we suggest you read the Bowls England guidelines which can be found on the Bowls England Web Site. There are also links to this on our website.

As per the Bowls England guidelines only three rinks will be available which will either be rinks 1,3 and 5 or 2,4 and 6. Roll ups are limited to singles only with no markers. If there are more than two people living in the same household then they can book a rink together up to a maximum of four people. The first rink time available will be 11am and the last rink time will be 7pm. Each session will last one hour forty minutes.

Rinks must initially be booked a minimum of 48 hours prior to the day/ time required. You will only be able to book up to 7 days in advance and only one booking per week per person, until advised differently, which will give all members a chance to book a rink when we first open*. When booking a rink please be mindful of those who do work and can only book later rink times.

To view the online system and to book a rink, go to the Suttons Bowls Club web site and open the tab "Rink Availability". Open the first WC (week commencing) date. (You will not be able to add any information onto that page). From the calendar select the date, time and rink required and return to the previous page. Below the week commencing dates follow the instructions and select Rink Booking Request. Once completed Submit the form. (It may be advisable to choose a second preference in the event the first may not be available). Please be aware that when this is first launched all rinks and times will seem to be available as we will only be updating the calendar twice a day. All emails will be dealt with on a first come first serve basis. When the booking email is received and actioned you will only get an email if your request has been unsuccessful. When booking a rink, you must include all people for that booking, for health and safety purposes.

Only for those who do not have access to our website then they should ring Paul Day on 07566204466 who will advise what is available. If the call goes to answer phone, then you will be contacted as a matter of urgency as soon as possible.

*It is quite possible that not all rinks will be booked. If you would like to book a rink on the same day and a rink is available, then please do so. We will confirm your request by email in these instances.

By booking a rink you are accepting our conditions of use and those seen not to comply may have the facility to use the green suspended.
